RIA PHOENIX AWARD

ACR is the proud recipient of the 2014 & 2023 Phoenix Award for innovation in restorative hardwood drying techniques.

ABOUT US WHO WE ARE

Representing more than 1,000 homeowner's associations from the Midwest to the Atlanta Metro area, ACR "gets" property management.

We understand the demanding nature of your daily schedule and that you're on call 24/7 for each and every problem. That means you need your partners and vendors to respond immediately while managing cost and risk, and most importantly, do this with minimal disruption to daily operations.

ACR is now a proud member of the CAI Georgia Chapter.

COMMERCIAL CLIENT

TESTIMONIAL

ACR has been a vendor for our community for the entire 5 years that I have been managing our HOA. They are my "go-to" for any emergency large or small. Their clear communication, customer service skills and staff's knowledge and professionalism are what keeps us coming back. I would recommend them to any property manager.
